

Jonathan Dean, CPA

Profile

Position

Director

Professional Experience

Jonathan Dean joined the firm in 1996 as a management consulting project leader, specializing in the areas of strategic planning, business financing, merger and acquisition transactions, and business valuation. Over an 18 year period prior to joining the firm, he held senior executive roles in two manufacturing companies, and was on the management team of a marketing consulting and advertising firm that operated subsidiaries in several related fields. Combining a broad background in operations, marketing and finance, he is well-versed in the issues associated with forming businesses, raising capital, developing fully integrated operational and marketing strategies, redesigning business processes, and restructuring ownership in closely held businesses.

Education

Bachelor of Business Administration in Marketing degree (Summa Cum Laude) – Eastern Michigan University

Master of Science in Accounting, Eastern Michigan University (Emphasized merger and acquisition issues, finance, and strategy. Named business school's Outstanding Student across all masters-level programs, and presented with the University's top graduate-level award for 4.0 GPA.)
